

Greenfield High School Background Information Release

To be completed by students from schools other than Greenfield High School (GHS) or from outside a school community.

In order to provide a safe and drug-free dance experience for our students, GHS requires all dance guests who are attending a high school other than GHS to be approved by their resident school principal or who are not part of a school community to undergo a background check conducted by Greenfield police liaison officer. Students who are found to have significant prior offenses including, but not limited to, substance abuse, disorderly/inappropriate conduct, or dangerous behavior may be excluded from attendance at Greenfield High School dances.

Name of Dance: _____

Name of GHS student: _____

Name of Guest: _____

First Middle Last
