Checklist for Parents

- ✓ Encourage your child to take challenging high school courses
- ✓ Talk to your child about careers, colleges and life after high school
- ✓ Establish a regular study time each day
- ✓ Try to provide a good, quiet study setting
- ✓ Discourage phone calls, visitors, TV and other distractions during study time
- ✓ Talk to your child about what he/she is learning. Ask questions. Listen to the answers.

Tips for a collegiate future

Sophomore Year

- ❑ Maintain good grades
- ❑ Begin focusing on academic strengths
- ❑ Begin/continue research into possible career paths
- ❑ Meet with School Counselor as needed
- ❑ Get involved in Extra-Curricular activities & community service

Tips for a collegiate future

Junior Year

- Maintain good grades
- Take more classes according to your interests
- Consider PSAT during the first semester
- Individual parent/student meeting with counselor
- Take the ACT during second semester
- Keep record of all activities for college application
- Start looking at and visiting colleges
- Research grade and class requirements
- Begin determining a specific occupation

Tips for a collegiate future

Senior Year

- ❑ Maintain good grades for scholarships
- ❑ Retake the ACT (September) if you think you can improve your score
- ❑ Apply to colleges before November holidays
- ❑ Apply for scholarships
- ❑ Apply for financial aid (Oct. 1)
- ❑ Determine your college as soon as possible after acceptance

Your Student's High School Transcript

- Legal Document
- Individual meetings throughout years focus on academics and strengthening the transcript
- Transcript shows: Cumulative GPA, Class Rank and lists courses with semester grades
- This is required with college applications and/or scholarships
