A Quick Overview

- VAC is a competition for high school Art students
- Eleven studio categories with a Yearly Theme
- In-depth research on the 12 selected artists whose work relates to the theme
- Scores are earned both individually and as a team
- Opportunity to create artwork in response to a prompt over a period of time
- Challenge to create artwork in response to a prompt on the spot
- Teams are composed of a group of 12 students (\$125.00 registration fee)
- All first places advance from Regional to State competition
- Friendly, non-threatening competition!

VAC will help the student to develop and expand these skills:

- Conduct research
- Work independently and cooperatively as part of a team
- Find exemplars in art from which to model and learn
- Work out ideas in written form and sketches until he/she arrives at a solution
- Develop ability in the medium/technique of the problem through inquiry and practice
- Critique with knowledge his/her own work, peers, as well as that of artists
- Accept constructive criticism
- Search for new answers
- Manage time while working towards deadlines
- Take risks in solving problems
- Evaluate and be able to talk about his/her artwork
- Take charge of his/her own learning
